

Viewing Sessions

This email is mostly to inform you about my newest proofing system, explained in detail in a previous email that you should have gotten. You are not obligated to take part, but I wanted you to know about this new opportunity for a higher level of service and a **special deal** only available to my mini clients.

If you schedule a viewing session with me in the next few weeks, this is when you will see your photos for the first time, see sample prints and products, and decide if you would like to order anything extra beyond the 6 files included in your minis. I have new products that I'm super excited about showing off!

Of course there will not be as many photos as from a regular session, but there is no obligation to buy anything extra if you don't want to. I am always looking for ways to improve and you are the first to have this opportunity!

As a bonus, just for my mini clients, I am **gifting a \$50 print voucher** to anyone who contacts me this week to set up an appointment. Call me soon and be sure to leave a message if I don't answer. 425-231-7331.

Print credit only applies to in home viewing sessions. You must contact me this week to schedule one, but the session can take place after this week. Inquire to see my packages and pricing before the meeting. See this blog post for details:
